**JURISDICTIONAL INFORMATION:**

The Policy on Student Awards specifies that the university registrar report all new, amended and withdrawn awards annually to the Academic Board through the Committee on Academic Policy and Programs.

**GOVERNANCE PATH:**

1. **Committee on Academic Policy and Programs [for information] (Feb. 16, 2023)**
2. Business Board [for information] (March 15, 2023)

**HIGHLIGHTS:**

In 2021-2022, there were 302 new awards established in the university, with a total endowment value of \$23.1 million.

A total approximately \$74,500 in expendable awards was withdrawn (withdrawn awards do not reduce the overall gain of new endowments). These awards were withdrawn because the donor commitment or the award term ended.

For comparison, in 2020-2021, the number of new awards established in the university was 231, with a total endowment value of about \$28.9 million.

The University Registrar's Office is currently reviewing inactive awards with development and units to determine if the awards should be formally withdrawn. The withdrawn report includes approximately \$30,000 from this review.

**FINANCIAL IMPLICATIONS:**

There are no implications for the university's operating budget.

**RECOMMENDATION:**

For information.
